## **ACKNOWLEDGMENTS**

As part of its charge to promote recruitment and development of first-class leaders, the AAHSL Future Leadership for Academic Health Sciences Libraries Task Force, chaired by Patricia Mickelson, developed this guide, first published in 2002. Subsequent revisions were coordinated by the Future Leadership Committee and overseen by Carolyn Lipscomb (Project Manager). Carol Jenkins (Program Director), Patricia Thibodeau (Program Director), and with revisions and updates made by 2021 Committee members Teresa Knott, Darlene Parker-Kelly, Sandra Franklin, Catherine Soehner, and Richard Nolan. The 2024/2025 revisions and updates to the guide were overseen by Judy Cohn (Program Director) with input from current Future Leadership Committee members Rose Bland, Gail Kouame, and Roger Russell. They extend appreciation to the external reviewers who provided valuable input.

The guide continues to benefit from the suggestions of many AAHSL members who review and use the guide.
