As part of its charge to promote recruitment and development of first-class leaders, the AAHSL Future Leadership for Academic Health Sciences Libraries Task Force, chaired by Patricia Mickelson, developed this guide, first published in 2002. Subsequent revisions were coordinated by the Future Leadership Committee and overseen by Carolyn Lipscomb (Project Manager), Carol Jenkins (Program Director), Patricia Thibodeau (Program Director), and with revisions and updates made by Committee members Teresa Knott, Darlene Parker-Kelly, Sandra Franklin, Catherine Soehner, and Richard Nolan. They express their appreciation to outside reviewers for their helpful suggestions. The guide continues to benefit from the suggestions of many members who review and use the guide.
